- The government has implemented a mandatory excess of € 385. There is also a voluntary excess with which you can reduce your premium. The mandatory excess is processed in the table above.
- The sums of excess apply to insured persons from 18 years and older. Insured persons younger than 18 years do not have to pay an excess.
- Children up to 18 years old are insured for free.

Supplementary insurance

Children up to 18 years old are insured for free, based on the same supplementary insurance as the policyholder.
